

Four diameters, XS fits M, S fits L.

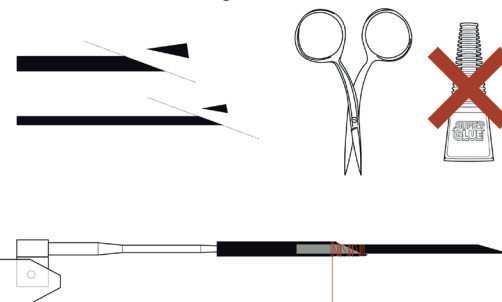

M XS

All diameters fits on the needle.

Connect the tubing by cutting an angle. Wind some thread to avoid glue!

All cones and tungsten tubes slide on XS. S needs to be stretched.

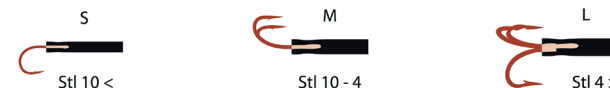

There's only one original!

FRÖDIN IMPROVED TUBE SYSTEM

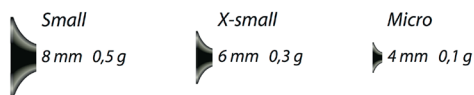

The super flexible tubing takes all kinds of hooks.

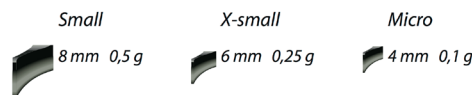

TUNGSTEN CONES

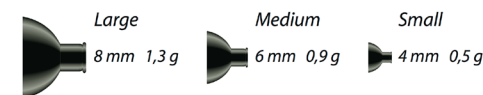

TUNGSTEN TURBO CONES

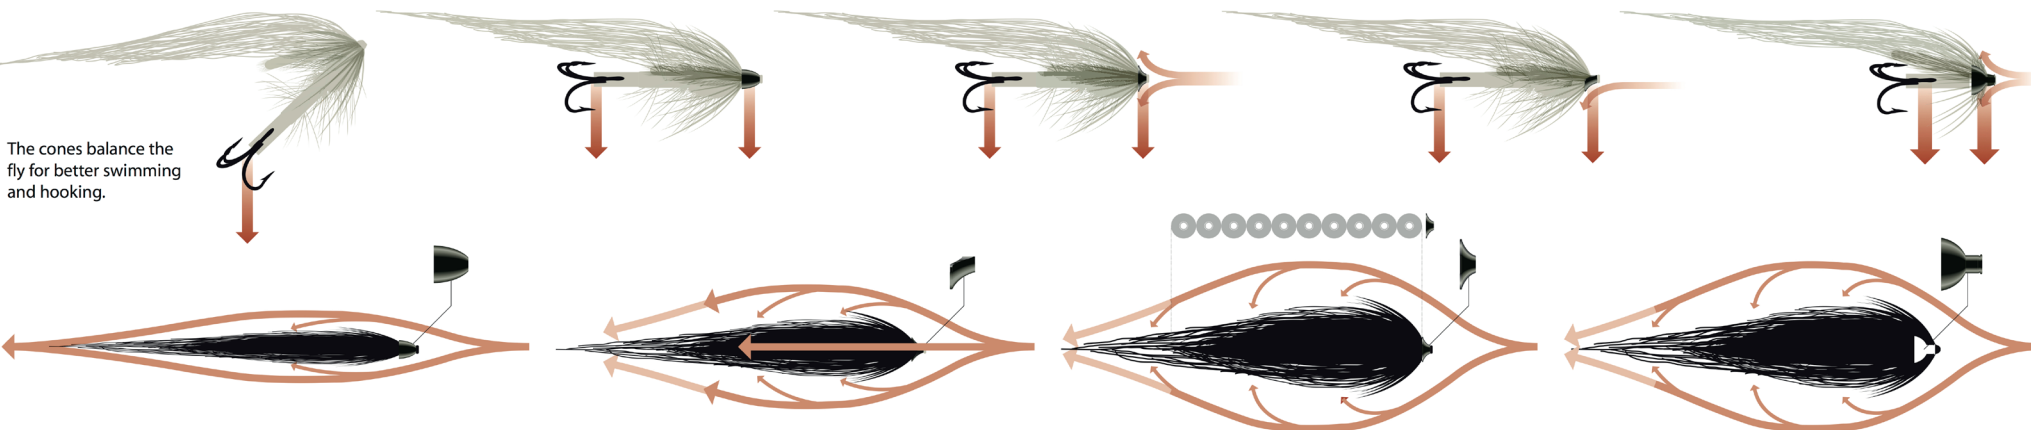

TUNGSTEN 1/2 TURBO CONES

TUNGSTEN TURBO TUBES

The cones balance the fly for better swimming and hooking.

Select cone style to vary fly profile.

The diameter x 10 = the length of the turbulent stream.
